

# Duke Sports Medicine and Triangle United Soccer Association

To stay healthy and in the game, Duke Athletics turns to the team at Duke Orthopaedics. You can get the same expert care at our orthopaedic and sports medicine clinics conveniently located throughout the Triangle.

And for players in Triangle United Soccer Association, we offer services specifically for your players, including:

- **Onsite / sideline injury assessments**

Our team of sports medicine experts are available to assess your player's soccer-related injury. During season play, we are available at select sites weekly to triage at the field. To arrange someone to look at your player's injury, please contact us through email or scan our QR code and fill out the form.

- **Preferred access appointments**

Duke Sports Medicine offers preferred access appointment scheduling for injured athletes in our community. Scan the QR code to fill out the form. Our team will contact you for an appointment, often same-day or next-day, with a Duke Sports Medicine physician or physical therapist.

## Our Care Team

Ryan R. Kimball,  
PT, DPT, COMT  
*Physical Therapist  
Duke Soccer Outreach  
Program Coordinator*  
[Ryan.Kimball@Duke.edu](mailto:Ryan.Kimball@Duke.edu)

Christopher M. Bruscato,  
PT, DPT, LAT, ATC  
*Physical Therapist/Certified  
Athletic Trainer*  
[Christopher.Bruscato@Duke.edu](mailto:Christopher.Bruscato@Duke.edu)

For more information on our program, please contact Ryan Kimball.

Duke Health is one of only three U.S. FIFA Medical Centers of Excellence and one of 49 in the world. Duke collaborates with U.S. Soccer and other FIFA Centers of Excellence to provide athletes from around the country with the highest-quality, sport-specific care.
