

There are many children in our community who have a true passion for soccer yet their families cannot afford the cost of having their children participate in our programs. With that in mind, the Triangle United Soccer Association offers financial aid assistance as part of its commitment to ensure that any child that wants to play club soccer be afforded such an opportunity

Financial Aid awards are calculated for a year, but players must meet their commitment to the team and Club (including meeting all financial obligations and attending all regularly scheduled practices, games and tournaments) to maintain a financial award. Financial aid awards will be calculated on qualification criteria including a family's gross monthly income and family size, and may include other criteria. **The baseline annual household income for a family of four should be about \$48,218.**

APPLICATION PROCEDURES

- Parent or legal guardian must complete the Financial Aid Application form.
- Applications should be sent to the Triangle United offices to the attention of the Financial Aid Committee via mail (PO Box 2321, Chapel Hill, NC 27515) or via email to mstrand@triangleunited.org

SOURCE OF FUNDS

Triangle United seeks to secure financial aid fund from a variety of sources including grant writing and fund-raising. Members of Triangle United are welcome to make individual contributions to the financial aid fund.

Please help us spread the word of our scholarships so we can reach more worthy children.
